How to find us!

We are located in the iconic Aspley Hypermarket. If you can find this, you can find us!

On arriving at the Hypermarket, you can find the access to the Mezzanine level opposite the main north entrance to the shopping centre.

You will see Offices First signage opposite the main north entrance and head up the stairs to the Mezzanine level. Our reception team looks forward to welcoming you when you arrive.

By Car

Free car parking is available at the shopping centre.

Disability parking is directly opposite the north entry indicated at left.

By Bus

The Hypermarket is serviced by Brisbane City Council buses.

We suggest using the TransLink Journey planner for best results in determining the appropriate bus (or train/bus) for your trip:

<https://translink.com.au/plan-your-journey>

The bus stops are indicated by the arrows and only a short walk from the NBHL Offices. The Hypermarket side Bus Stop also has a direct entrance into the centre.

If arriving by bus on the south side of Albany Creek Road, you will need to use the crossing indicated by the yellow circle to access the Hypermarket.

By Train

To reach the offices by train will also require a bus connection.

Take the Caboolture/Nambour line to Geebung, then catch a route number 340 bus.
